Claim 10 (new): A book holder as defined in claim 1, wherein said the foldable shelf is mounted on the lower filleted rectangle support plate.

## **REMARKS – General**

To meet the requirement, the claim 1 (e) “two identical hook-and-loop fastening pad straps” has been changed to “two identical fastening straps”. The two identical mating pad of hook and loop fasteners mean 2 pads of hook and 2 pads of loop.

In the claim 2, “a steering wheel” has been changed to “the steering wheel”.

In the claim 4, “said fastening means comprises the hook-and-loop fastening pad straps” has been changed to “said fastening parts comprises two identical fastening straps”.

The word “the” has been deleted and “a” has been added in the claim 6.
